

**URBAN CULTURE PROJECT  
STUDIO RESIDENCY PROGRAM  
CALL FOR VISUAL ARTIST APPLICATIONS  
DEADLINE JULY 16, 2010**

Charlotte Street Foundation's Urban Culture Project seeks applications from artists interested in being considered for its Studio Residency Program for Visual Artists. **Applications are next due FRIDAY, JULY 16 (postmarked or delivered by 5pm to CSF's offices, 1000 West 25<sup>th</sup> Street).**

Launched in January 2004, UCP's Studio Residency Program provides free studio spaces for talented and dedicated local artists in need of space in which to work. The studios are granted to selected artists for one year terms. No full time students will be considered.

Artists participating in the program open their studios to the public in conjunction with Urban Culture Project Third Friday openings, and volunteer approximately 5 hours per month assisting with Urban Culture Project efforts, including gallery sitting at UCP venues. UCP expects participating artists to be committed to building sense of community in the studios with their fellow artists, to take advantage of their time in the studios to further establish a peer artist network for themselves, and to leverage the residency toward future opportunities. In addition, Urban Culture Project presents an annual curated exhibition featuring work by a selection of the Studio Residents at one of its gallery spaces in downtown Kansas City.

The Studio Residency Program is currently housed at two locations: on the 13th floor at pARTnership Place, 906 Grand, accommodating approximately seven visual artists (approx. 5 slots opening fall 2010); and on the 5<sup>th</sup> floor of City Center Square, 1100 Main Street, accommodating approximately 12 visual artists (approx 9 slots opening fall 2010). At pARTnership Place, studios for each artist are designated areas within a large open space. At City Center Square, artists are granted small private studios. The City Center Square studios are intended particularly for artists interested in working in a multidisciplinary environment, alongside performing artists, who are awarded space in an adjacent area through a separate selection process. It is possible that UCP may launch an additional studio residency facility in fall 2010.

**Artists applying will be considered for one-year studio terms to begin September, 2010. If interested in applying, please submit the following. Artists will be notified of acceptance in mid-August, 2010.**
